### **GR GALLERY OPENING EXHIBITION "The Sharper Perception, Kinetic Art, Optical and Beyond"**

- WHAT:** [GR Gallery](#) will inaugurate its New York headquarter with the exhibition "The Sharper Perception, Kinetic Art, Optical and Beyond", by curator and founder Giovanni Granzotto. The exhibition will run from January 14 through March 12, 2016.
- WHEN:** The opening reception will take place on Thursday, January 14<sup>th</sup>, 2016 from 6:00 p.m. to 9:00 p.m.  
Best time for photos is from 6:00 p.m. to 6:30 p.m.
- WHERE:** [GR Gallery](#) is located at 255 Bowery (between East Houston & Stanton) New York, NY 10002.  
Subway stations within few blocks: 6, J, Z, N, R, F, B, D, M.
- WHO:** [GR Gallery](#), born in Sacile, Italy, in the mid-seventies, soon focused its activities on the enhancement and promotion of the European (mostly Latin) post-war avant-gardes, giving priority to those artists who have produced special and personal propulsive thrusts during the triumphs (and the eclipse) of the so-called Informel.
- Since the nineties, [GR Gallery](#) has been dedicated to the rediscovery and re-launch of the newest avant-garde: the movement of Kinetic and Programmed Art. The arrival of the Gallery in New York will be celebrating this re-born movement.
- WHY:** The exhibition will focus on the themes of perception and movement, as well as the Optical, dynamic and three-dimensional structuring of the artwork; all features that have strongly influenced contemporary art from the sixties until today. About 20 artists, displaying 40 artworks, will be the protagonists of this event, which, starting from the masters, Vasarely and Schoffer, plus some of the masters of the most important Optical currents such as Biasi, Cruz-Diez and Julio Le Parc and those who have circled around the Azimuth project, such as Bonalumi and Castellani. Finally, featuring younger artists such as Marcello De Angelis and Gabriele Grossi.
- On the occasion of this inaugural event, a representative catalog will be available.
